OTHERWISE BE CASE.

FONDEP CONFIRMS DISSATISFACTION OF JAP-HONG KONG

Emtel 2106. Conferred with Emb/W concerning 95% provision tripartite agreements. Emphasized that Japan and Hong Kong had experience this system with no objections. Believe Yugoslavia can adapt.

Waiver of provision deemed undesirable. Emb/W does not repeat not have copy of draft processing agreements. Therefore unable to advise regarding revision necessary to conform 95% clause. Have requested Emb/W to obtain copy immediately for our review.

Entel 2156 Neither Emb/W nor USDA has received copies subject processing agreements. However processing agreements and language therein should be agreed to between GOI and processing countries since USDA is not a party to these agreements.

There is no repeat no objection to including Yugoslavia as processing country.
